

Student Information Lukas (Ref. AB14)

These children earthquake victims. The three of them are orphans. Their house was damaged and is in the process of being repaired. To meet the needs of life, their mother migrated and worked as a household assistant in Papua, so they were cared for by a relative. They really hope and are grateful for the help from the BEATS FOUNDATION in United Kingdom, can help ease their mother's burden and promise to study hard, in order to become successful people. Lord Jesus Bless and Thank You.
