

**Ian Phillips**

Ian is presently the Treasurer for the charity, a position he took up in 2025 after becoming a trustee in early 2024.

He lives in Bracklesham Bay on the West Sussex coast with his wife Julie, and he attends the Harbour Churches on the Manhood Peninsular, where he and Julie lead a Harbour Group for fellowship, prayer and bible study. He also enjoys leading intercessions in church.

Ian pursued a career in marketing, sales and customer service before retiring. When he has time, he now enjoys the frustration of trying to improve his golf swing!
